

## Abraham and Sarah– Lesson 2

**Read:** Re-read the story “The Three Visitors” and “Isaac’s Birth” in The Beginner’s Bible.

**Discuss:** This story shows us two miracles of God’s power. Seeing angels is a miracle, as well as Sarah having a baby when she was 90 years old!

1. What is a miracle? *A wonderful work of God.*
2. What other miracles can you think of? *Jesus made a blind person see, Jesus walked on water, The creation of the world, the sixteen glowing stones, touched by the finger of the Lord... just to name a few.*

### Suggested Service Project (s):

#### Project #1: “Isaac Hats”

Materials needed: Crayola fabric markers, plain, unprinted newborn hats, small shipping box

#### Directions:

1. Decorate infant hats with the fabric markers.
2. Let kids place the hats into a small shipping box.
3. Send or bring them to a local hospital, women’s shelter, etc.

#### Project #2: “Sarah Baskets”

Materials needed: Small baskets, miscellaneous new baby items, tissue paper, colored paper, markers, stickers

#### Directions:

1. Let kids arrange tissue paper inside each basket.
2. Let kids place the new baby items inside each basket.
3. Have older kids make “congratulations” cards for each basket, and copy a Bible verse inside of it, such as:  
“Suffer little children, and forbid them not, to come unto me: for such is of the kingdom of heaven.”
4. Littler ones can color the cards, or decorate with stickers.
5. When the baskets are finished, donate them to a local women’s shelter.

**Reminder–** If your Sunday school is in need of funds for your lessons or projects, please contact Susan Porter.
